

OPAL Black Steel - 900ml Foam Refillable Soap Dispenser

Part code: 900SD-FBK

The Opal steel 900ml refillable foam soap dispenser is designed for all commercial washrooms. It's both practical and robust whilst offering an executive finish with a matt black steel lockable cover. Constructed from zinc coated steel the unit is designed for both simplicity and functionality, making this ideal for all high traffic area's that require regular sanitising.

Key lockable for extra security with a level indicator located at the front for ease of monitoring soap levels. When required the 900ml reservoir can be easily refilled.
