

Armadillo ECO. Ultra Hygienic & ECO Hand Dryer.

This high speed, ultra quiet hand dryer loves a challenge. Fitted with highly advanced airflow technology, the Armadillo ECO is a best-seller due to its ultra-fast drying time of 8-10 seconds per use.

Leaving barely one drop of residual skin dampness after use. Engineered for strength and reliability over a long lifespan, the Armadillo ECO is made with the most durable materials available

and is capable of withstanding constant use.

With the latest environmentally friendly features. The Heat element can be switched off to significantly reduce power consumption. The motor speed can be reduced to reduce power consumption but also reduce the sound level to as low as 60dB.

• Ultra-fast hand drying - 8 - 10 seconds • Powerful airflow - 100 meters/second (223 miles per hour) • Low energy use • HEPA filter
