

Prestige Plus Brushed Stainless Steel 30 Litre Wastebin

78202SS

Materials: Constructed from type 304 stainless steel exposed surfaces are brushed finish.

Installation: Wall Mounted: Remove mounting bracket from rear of the wastebin. Drill two horizontal holes 595mm from the floor 70mm horizontally apart. Drill two further holes for bottom of the bracket 260mm below top fixing points 70mm apart horizontally. This will ensure the bin fits 845mm from the floor. The bottom of the bin will sit 220mm above floor to allow cleaning underneath.

Free Standing: The bin is fitted with four 8mm diameter rubber feet to protect floors.

Specification: Prestige Plus Wastebin, constructed from type 304 stainless steel. Capacity 30 Litres. Lid is coated with a protective clear layer for easy cleaning.
