

OPAL Black Steel - 50 Litre Compact Wastebin Chute Lid

Part Code WB50-LID-BK

A stylish and compact 50 Litre waste bin constructed and finished in a matt black zinc coated steel.

The waste bin has been designed to take minimal space with a low profiled projection, whilst still offering a generous 50 Litre capacity. It's complete with a matching a matt black framed lid. When removed it also features an internal bag strap that is hinged allowing easy access to replenish the liner, which keeps the bag secure and in place.

It's ideal for paper and general waste within high traffic areas. Can either be floor standing or wall mounted for extra security, all fixings provided.
