

Combination in stainless steel

The combination comprises a towel dispenser and a waste bin.

- Full metal housing in robust, easy-to-clean stainless steel AISI 304, satin finished, all corners fully welded.
- Combination lockable with cylinder locks using the same key.
- Dispenser swings down for refilling, door for waste bin swings out.
- Towel dispenser holds approx. 250 paper towels.
- Waste bin capacity approx. 11 litres, with removable mesh basket.
- Easy to clean due to optimum accessibility.
- Waste deposited through self-closing, flame-retardant hinged flap.
- Simple mounting: insert in wall opening and secure in place; for installation in lightweight partition walls, create opening and provide some means of securing at the sides.
- Insert dimensions 300 x 647 x 154 mm
- Also available upon request in a polished finish or with other surfaces.
