

OPAL Black Steel - 30 Litre Waste bin Flap Lid

Part code: WB30-FLAP-BK

The Opal compact 30 Litre waste bin is constructed in a quality steel material with a black powder coated matt finish.

The waste bin has been designed to take minimal space with a low profiled projection, whilst offering a generous 30 Litre capacity. It also features an internal bag strap that is hinged allowing easy access to replenish the liner, this also keeps the bag secure and in place.

It's ideal for paper and general waste, can either be floor standing or wall mounted for extra security, all fixings provided. It's a an ideal solution for washroom areas with restricted space. This unit has a closed flap operation to conceal all unwanted waste being exposed.
